

## LOCAL MATTERS.

**WEATHER PROBABILITIES.**—For this section fair to-night, followed by increasing cloudiness and showers Wednesday; slowly rising temperature, variable winds becoming southerly.

**THE ELECTION.**—The weather today has been all that could have been desired for the prosecution of an election. The day broke lovely, and as old Sol ascended the Maryland hills home beat in the bosoms of many that it was the sun of Austerlitz for the Bryan, Sewall and Rixey banner. The animation began as soon as the polls were opened, and crowds were present ready to cast their ballots. Mayor Thompson last night swore in twenty extra policemen to do duty at the different precincts, and the voters were placed in line. Everything progressed slowly, peaceably and in order, but the determination of each side to bring out the largest possible vote was apparent, and the partisans of the respective candidates worked assiduously to that end. The barrooms were closed, or supposed to be, and there were comparatively few people seen under the influence of liquor. At the polls, as is generally the case in hotly contested elections, the votes of many were challenged, and in a few instances arrests were made.

The number of votes cast at 4 o'clock was as follows:

	White	Col'd.
First ward	429	135
Second	394	115
Third, C.H. Preet 736		
Friendship Prec't	487	54
Fourth	562	266

**CLOSE OF THE CAMPAIGN.**—The democrats of this city closed the campaign in this city last night with a roaring demonstration at the Opera House. The hall was more densely packed than on any other occasion during the campaign, and the enthusiasm manifested was unbounded. The galleries contained many ladies. The meeting was held under the auspices of the Bryan and Sewall Club and was presided over by the President, Mr. M. B. Harlow. The meeting was opened by the South Washington Glee Club singing the campaign song, "William J. Bryan, of Nebraska." This met with tremendous applause by all present. Frank E. Anderson was the first speaker introduced. His appeal to the voters to return to the democratic party met with loud applause, and his reference to the railroads loving their employees so much that they discharged white firemen to fill their places with negroes caused the audience, especially the railroad men, to become frantic. He closed his speech by urging his fellow democrats to stand by their colors in the fight to-day. Mr. Anderson was followed by Mr. R. E. Mattingly, Dr. J. M. Bullock, J. Talbot and Dr. Haney, of Washington, and Mr. Frank Hume. It was a late hour before the meeting adjourned. The streets were alive with people until after midnight who were engaged in discussing the issues to be settled to-day.

**CHARGED WITH ILLEGAL REGISTRATION.**—As stated, Charles F. Jackson, Wm. E. Hobday, Joseph Beckham, Carter Bradford and Burnett Lee, all colored, were arrested yesterday charged with illegal registration. Jackson later gave bail in the sum of \$500 for his appearance Thursday. Mr. Frank King becoming his surety. Last night evidence was produced to show that Lee, who had been charged with registering while under age, had attained his 21st year, and he was dismissed. Williams was also dismissed. He had been charged with giving an erroneous residence. It was proven, however, that the error was caused by the registrar. Hobday, Beckham and Bradford had their cases set for 12 o'clock to-day.

This morning Henry Washington, a colored individual who had been convicted of petit larceny in the Police Court last January, was arrested for voting. Through some inadvertence the usual papers had not been sent to the Clerk of the Corporation Court and his name had not been taken from the books. Washington went to the polls early this morning and deposited his vote before he could be challenged and was later arrested. He said he knew he had been convicted of petit larceny, but he and the Mayor had taken different views of the case. Malcolm Huff was subsequently arrested at the Third ward polls for alleged illegal voting. It is claimed that he lives in Washington and attained his majority in that city. He was released upon \$500 bail. Mr. George L. Simpson becoming his bondsman. Three colored men were arrested about noon for violation of the election laws. They were released, however, upon their own recognizance to appear Friday night. It is not thought the charges against them can be maintained. John Beckham and Carter Bradford, colored, who were arrested yesterday, were each released on \$500 bail. Mr. Park Agnew becoming Beckham's surety and W. H. Whiting and Chas. Baltimore, colored, furnishing bail for Bradford.

Two more colored men were arrested this evening charged with illegal voting and were locked up to await an investigation.

**ON A JAM-ROCK.**—About two o'clock this morning Officer Young saw a strange white man seated on a beer keg on the corner of Fairfax and Princess streets. He approached the man and asked him what he was doing there at that hour of the night and received a very abrupt answer. The stranger afterwards went off in a strain of abuse of the police and the people of Alexandria generally, in which he used some unconventional language. He was taken in charge and locked up. During the remainder of the night he kept up his tirade of abuse, and refused positively to give his name. At eight o'clock this morning he was brought before the Mayor when he gave his name as John C. Horgan. After the officer made his statement Horgan began his defense. The main point he endeavored to press upon the Mayor was that his personal appearance was enough to refute Mr. Horgan's charges, that any one looking at him could see at a glance that he was incapable of the conduct ascribed to him. His imaginary personal pulchritude had no effect whatever on the court, and he was fined \$5. Horgan was faultlessly dressed, wore spectacles and has an air of self-importance. He said he was a native of Chicago, but is at present an attaché of the pension office in Washington. It was subsequently learned that he has been in the habit of coming to Alexandria to indulge in periodical jamborees.

**R. E. LEE CAMP.**—The regular monthly meeting of R. E. Lee Camp, Confederate Veterans, was held last night with a good attendance of members. Commander Perry presiding.

The committee on procuring rooms for future meetings of the camp made their final report and were discharged. A permanent committee consisting of Comrades Warfield, Ramsay and Rudd was appointed to take charge of the arrangements of the room.

The delegates in attendance at the recent meeting of the Grand Camp made a full report of its proceedings. Invitations to occupy the new rooms of the camp at the corner of Prince and Fairfax streets were extended to the M. D. Corse Camp, Sons of Confederate Veterans; Woman's Auxiliary to Lee Camp; Mary Custis Lee Chapter, Daughters of the Confederacy; 17th Virginia Regiment Daughters of the Confederacy; Anne Lee Memorial Association, and the Children of the Confederacy.

Considerable other business of a private nature was transacted.

**THE INFIRMARY.**—During the month of October the following articles have been thankfully received at the Alexandria Infirmary: A barrel of apples, preserves, pickles, etc., Mrs. K. U. Taylor; ice cream, Mr. Shuman; barrel of flour, W. J. Pace, of Richmond; Mrs. K. U. Taylor and Mrs. M. J. Carlin; milk, Mr. Charles Hoot and Mr. Barron; meat, Mr. Oscar Baggett; repairing locks, etc., Mr. W. H. Hulsh and Mr. Ayres; repairing furniture, Mr. Demaine; repairing pipes in bathroom, Mr. S. Cavillier; shoes, etc., Mrs. Heselius Smith; butter, Mrs. Slaughter and Mrs. Darling; glass slab for operating room and window shades, Mrs. M. C. Carlin; flowers, Mrs. Snowden; St. Paul's church and friends; a telephone from the Home Telephone Co.; clock for children's ward, Mrs. Jas. R. Caton; books, papers, magazines, etc., Miss Nannie Lawson, Mrs. M. J. Carlin, Mrs. Brooks, Mrs. Heselius Smith, R. V. F. X. McCarty, Miss Nannie Fowle, Miss Ella Simpson and others who did not leave their names.

**POLICE COURT.**—The following cases were disposed of last night:

Two white men, charged with an assault on a colored man, were dismissed for want of evidence.

Three young colored women, charged with defacing property by tearing pictures from bill boards, were fined \$5 each.

A young man charged with disorderly conduct at the Opera House on Saturday night, was dismissed.

Wm. H. Williams and Burnett Lee, both colored, charged with illegal registration, were dismissed.

The following cases were disposed of this morning:

John C. Horgan, arrested by Officer Young for drunken and disorderly conduct, was fined \$5.

Harry Jackson, a colored boy, charged with pilfering and vagrancy, was sent to the work house for 60 days.

*Next Report.*—Last night was clear and cool. Eight prisoners and three lodgers were at the station house.

**KILLED IN THE COUNTY.**—Just before daybreak this morning the dead body of John Pollard, colored, who lived near the brick yards in the county, was found in a field near his home. A coat was thrown over the body and a lantern was by its side. Some distance off was a pistol and a hat. It appears that last night two parties were held in the county, one at Pollard's home and another at the home of Henry Lewis, nearby. About 11 o'clock it is said Pollard and a crowd of negroes went to Lewis's house to break up the party there so that those present would come over to Pollard's house. A free fight ensued, in which pistols were used, and it is supposed that during the fight Pollard was struck, though at this writing no one has been found who either knows of the killing or will tell of it. An inquest will be held and an investigation gone into.

**A RUNAWAY GOES HOME.**—Julia Johnson, colored, aged eighteen years, ran away from her home in Alexandria, Va., Thursday and came to Baltimore Sunday afternoon. In response to a telegram from Alexandria, she was taken into custody by Sergeant Morheser, of the southwestern district, who found her on North Bruce street. She was held at the southwestern police station until yesterday afternoon, when she was returned to her father, Henry Johnson, who came from Alexandria.—*Baltimore Sun.*

**COLORADO REPUBLICANS.**—The colored republicans held a closing rally last night in front of the Leader office, on south St. Asaph street, under the auspices of the McKinley and Hobart Marching Club. Fully two thousand people were present. Magnus L. Robinson presided and Wm. A. Carter acted as secretary. Speeches were made by W. F. Thomas, Rosier D. Beedley, James M. Buckner, R. L. Mitchell, Geo. W. Stewart and Daniel W. Chinn. Music was rendered by the National band.

**ELECTION RETURNS.**—Mr. J. M. Hill, who has taken considerable interest in the election and is in favor of the democratic ticket, has had special wires run into the Opera House, and to-night the election returns will be given out there from all over the country.

The Bell Telephone Company will give out long distance telephone election returns at the corner of King and Washington streets and at the store of Mr. R. E. Knight, on King street.

**STEAMBOAT NOTES.**—The steamer Arrowmoat, which has just been taken off the lower river line for the winter, this morning took a large excursion party to Colonial Beach. To-morrow and Wednesday she will take the place of the Columbia on the ferry line and on Friday she will take the place on the lower river line of the steamer Wakefield, which will be thoroughly overhauled.

**PERSONAL.**—Miss Josie Robinson, of Alexandria, who has been visiting Dr. Chewning and family, returned this afternoon much to the regret of her many friends.—*Fredericksburg Star.*

Mrs. F. A. Reid has returned from Philadelphia and is now a guest at Mrs. Hudson's, on King street.

**ELECTION RETURNS.**—As will be seen by advertisements elsewhere the Washington Star and the Washington Post will announce the election returns by means of stereopticons near the corner of King and Washington streets to-night. Both papers will have special wires and will display full returns.

**ELECTION RETURNS** to-night at the Washington Post Bureau, 621 King street. All are invited.

**MONEY RECOVERED.**—Miss Jacobs, matron at the Theological Seminary, near this city, has recovered \$95 she lost last Saturday from a buggy in which she was riding. A colored man named Reuben Matthews was seen to pick up the satchel and give it to a resident of Fairfax county, supposing he had lost it. The knowledge of this fact coming to Mr. W. D. Hudson, that gentleman went to Loud station to-day, found the man and returned home this evening with the money.

**FIGHT.**—Mr. Leonard Marbury, Commonwealth's Attorney, and Mr. S. G. Brent, Corporation Attorney, had a personal altercation at the Fourth ward polls this afternoon. During a heated discussion Mr. Brent called Mr. Marbury a liar. The latter retaliated by slapping Mr. Brent in the face. The fight proceeded no further, as friends immediately interposed.

## LOCAL BREVITIES.

A meeting of the Y. M. S. L. will be held to-night.

Nine cases of diphtheria have occurred among pupils of the Peabody School in Washington.

Belle Haven Council, Junior Order of United American Mechanics, initiated one candidate last night and received two applications for membership.

The divorce suit of Mrs. Lucy A. Armes against Major George A. Armes having been dismissed in Washington, an effort is now being made to withdraw the testimony from the court.

At a meeting last night of the historical committee of the 17th Virginia Regiment Chapter, U. D. C., plans were arranged for securing a history of the various companies of that gallant regiment.

Virgie, the little five-year-old daughter of Mr. James Upton, while playing on the high steps at her home on the northeast corner of Fairfax and Cameron streets this evening, fell therefrom and broke her arm.

A meeting of the Columbia Fire Company was held last night and arrangements were perfected for attending the funeral of the late Francis Carroll, which will take place from St. Mary's Church to-morrow morning at 9:30 o'clock.

Reports from the county are to the effect that at the Four mile run precinct there has been much disorder and fighting. It was reported that a man had been killed but this was subsequently denied. Threats are made that arrests will be made after the polls are closed of persons charged with violating election laws.

A young colored man took a Bible to the old court house precinct polls with him to-day in order to show, should any one question his age, that he had attained his majority. After he had voted some one asked to look at the Bible and it was found, according to the register, that he was not of lawful age. The darky was arrested and locked up.

Matthew F. Merrigan, alias Jack Lawton, was convicted in Washington yesterday of attempt to kill Richard J. Burris. Merrigan was accused of administering to Burris on June 12 last a large dose of chloral in whisky, the drug being commonly known as "knock out drops." Burris was driven from Washington to Jackson City, where he was robbed and then taken from a carriage into some bushes and left there.

James Flood, a farmer, living near Falls Church, reported to the Washington police yesterday that he had been held up by a highwayman near Fort Myer, while on his way home Sunday evening. The robber was not successful, as Mr. Flood plied the whip to his horses and escaped. Two shots were fired by the highwayman, but neither took effect, although one of the bullets struck uncomfortably close to the occupant of the wagon.
